***French Café Evening 19:30 on Friday 23rd September in the Village Hall***

After the success of last year's International Evening, this year the HRA are pleased to announce a small taste of France in Horningsea. Come join in. There'll be a buffet of bread and cheese with an aperitif, a glass of wine and a digestif. You are welcome to bring your own (French preferred) wine or other beverage if you prefer more than a glass.

Bert Santilly will be entertaining us with French music on his accordion. Tickets are £5 on the door.

***Notice of A14 Junction 32 (Histon) to Junction 31 (Girton) Westbound repair works***

(see attachment for details)

***Views wanted!***

Some residents have proposed siting a Community Herb Garden in the 'Jubilee Garden' (the area between the children's playground and the road). The herbs would be grown inside a raised-bed frame that Bill Parker has kindly built. Before we fill the frame with tons of soil, we'd like your views.

Question 1: Do you agree that the proposed location (on the raised gravel area) is the best one?

Question 2: If not, do you have an alternative suggestion for where to put the herb garden, and any suggestions on what to do with the raised gravel area?

***Take part in an NHS focus group***

NHS Cambridgeshire, Cambridgeshire County Council, and district councils are looking at how ill health can be prevented and good health promoted amongst working age people. They have asked Cambridgeshire ACRE to run a series of focus groups for them inviting local people to give their views on these subjects so they can be taken into account by decision makers about the way health and social care services are planned and delivered.

We are looking for enthusiastic and willing people to take part in these focus groups. If you have an opinion on this subject, we'd love to hear from you and have you join us at one of the sessions. We'll even provide you with some light refreshments and pay your travel expenses to make it worth coming out to give us your views.

For full details, please see the attached invitation and to book your place, please complete and return the attached booking form.

### ***Free loan of energy meters to help you save up to 15% on electricity bills***

Got better things to spend your money on than electricity bills? Borrow an energy meter from any Cambridgeshire library free of charge and find out how you could cut your electricity bills by as much as 15%. The meters are easy and safe to use and show how much electricity is being used in your home at any one time. Using a meter can help you see just how much energy is used, for example, by lights in empty rooms, appliances on stand-by or boiling a full kettle. Armed with this information, studies show that households can reduce their bills by 5 -15% by making small changes to use less electricity. Ask to borrow a meter at your local library today and start planning what to do with your savings!

Green Tip: We all have an impact on the environment through our use of resources and burning fossil fuels for everyday activities such as driving cars and heating our homes. ### ***Golf anyone?***

Would any golfers in the village be interested in having a Golf Day or having a Horningsea Golf society? I was thinking perhaps having a cup of tea and bacon buttie breakfast at the Plough and Fleece followed by say a round round Milton (which is only a short drive away) then returning for lunch to the pub or at the golf club. Obviously this is only at the ideas stage at the moment and needs ironing out a little bit. So, I'm not sure of prices at the present time, but it shouldn't cost too much green.

So if anyone has any thoughts on the matter or wishes to flag something, please feel free to pin me down at the pub or on [tlcanning@hotmail.co.uk](mailto:tlcanning@hotmail.co.uk).

### ***Walk in support of Alzheimer's Society***

The Alzheimer's Society is staging its 10th Anniversary Memory Walk on the **4th September 2011**, enabling members of the public to walk in memory of a loved one, whilst raising money for a great cause.

This year the event starts at Milton Country Park. There are 2 walking routes available - a 1 mile walk around the park itself, or a more challenging 13 mile walk across the Fens, taking in the village of Horningsea.

Registration is FREE this year. Please visit [www.memorywalk.org.uk](http://www.memorywalk.org.uk). Details of the walk are available here too.

### ***Advance notice for October: HRA Village Apple Pressing Day***

Join in on a day of apple pressing fun. Bring your own apples from the garden, some empty bottles (and just a bit of elbow grease!) and take your self-pressed apple juice home with you.

The Apple Pressing day will be held on **Saturday 1<sup>st</sup> October from 13:00 to 18:00** outside the Village Hall. This proved very popular last year so don't leave it until the last minute to press! On the morning of the Village Apple Pressing day we'll trawl public apple trees in the village to fill a "community apple bucket" so as to give anybody who has no fruit trees of their own the chance for some juice! If you fancy doing some picking, whether for the community or for yourself, then meet on the village green at 10:00. We'll finish at 12:00 with the main event starting at 13:00. Email [hra.events@gmail.com](mailto:hra.events@gmail.com) or ring Chris on 07739 578 612 for details.

## ***News from the Parish Council***

### **'A Pint with the Parish'**

At least one Parish Councillor and one member of the Parish Plan Steering Group (PPSG) will hold joint monthly 'surgeries' in the informal setting of the Plough and Fleece once a month. Parishioners are welcome to bring their concerns, enthusiasms, frustrations and ideas for discussion (although we must point out any opinions expressed in the course of such 'surgeries' are those of the individuals, not necessarily those of the bodies they represent!). The next 'Pint with the Parish' is on Wed 7 September from 20:00 to 22:00.

**[www.yourlifeyourchoice.org.uk](http://www.yourlifeyourchoice.org.uk)**

The aim is to ensure that everyone living in Cambridgeshire and looking for information about adult social care has access to information at a time and in a format that suits them. In addition to the new website a set of Your Life, Your Choice branded leaflets will be available.
