News from Friends of Horningsea Church

St Peters Church is by far the oldest building and is a major asset to the Village and, as such, deserves support from the whole community whether you are a Church-goer or not.

Over the next few years major works badly need to be undertaken to ensure that the framework of the Church is in good order for the next 100 or so years. Thanks are due to everyone who has given so generously to the Appeal to restore and repair the window in the Tower and so far the Appeal has raised £490.00. If you have not yet responded to the Appeal it is not too late.

Michael Harrison, Treasurer

Noticing free ranging chickens roaming around the village?

Don't worry – these belong to the Plough & Fleece and will find their way home for supper - their supper, that is.

Stroll in Milton Country Park in aid of Hearing Dogs for Deaf People

Locally we are planning a sponsored event in Milton Country Park on Sunday 5 June. In addition to taking part in a sponsored "Stroll in the Park", there will also be a chance to "Jog with your Dog" – this part of the event will take place at 10.00am and entries for this must be made in advance. The whole event will take place between 10.00 and 16:00. We would like to encourage you to come along with your dogs and family and enjoy the event whilst raising much-needed funds for our charity. There will be medals for those who complete the course and a treat for dogs at the finish point. On the day there will be a giant tombola, Hearing Dogs merchandise, puppies in training, working partnerships and much more. There is an excellent café where you can sit back and enjoy some refreshments. The routes of 2 miles and approximately 5 miles will be well marked and maps will be available. The majority of the route is very wheelchair and pushchair friendly and is generally flat. Cost per participant is just £2.00 for either the jog or the stroll but we hope that you will obtain sponsorship to increase the amount raised for the charity. Car parking charges of £2.00 will also apply. Please come along and support us.

Can you help to keep Horningsea looking green?

It is that time of year that our Christmas tree struggles. If you are passing, or if you have a few minutes, giving it some water would greatly help its chances of survival. There is a can at the tree which you can use to take water from the village pond. Even just doing it once will help. As would once a week or even once a day.

Thanks, the HRA
