

Pirates invade Horningsea at River Festival on 24th July

News from the Parish Council

The Parish Council meeting of 27 July included the first of its planned 4-monthly consultation/update sessions with the Parish Plan Steering Group (PPSG, represented by the PPCG joint chairmen Bert Santilly and Frank Hopkirk).

'A Pint with the Parish'

At least one Parish Councillor and one member of the PPCG will hold joint monthly 'surgeries' in the informal setting of the Plough and Fleece once a month. Parishioners are welcome to bring their concerns, enthusiasms, frustrations and ideas for discussion (although we must point out any opinions expressed in the course of such 'surgeries' are those of the individuals, not necessarily those of the bodies they represent!). The first 'Pint with the Parish' is on Wed 17 August, from 20:00 to 22:00.

Minutes quicker

The Parish Clerk has agreed to post minutes of Parish Council (PC) meetings, in draft form, within a fortnight of the meeting being held, on the PC notice board near the bus shelter and at www.horningsea.com

Walk in support of Alzheimer's Society

The Alzheimer's Society is staging its 10th Anniversary Memory Walk on the **4th September** 2011, enabling members of the public to walk in memory of a loved one, whilst raising money for a great cause.

This year the event starts at Milton Country Park. There are 2 walking routes available - a 1 mile walk around the park itself, or a more challenging 13 mile walk across the Fens, taking in the village of Horningsea.

Registration is FREE this year. Please visit **www.memorywalk.org.uk**. Details of the walk are available here too.

New Adult Social Care Website

Cambridgeshire's new adult social care website, 'Your Life, Your Choice', is now "live" and from this week information about adult social care in Cambridgeshire can be found on the new site at **www.yourlifeyourchoice.org.uk**

The aim is to ensure that everyone living in Cambridgeshire and looking for information about adult social care has access to information at a time and in a format that suits them. In addition to the new website a set of Your Life, Your Choice branded leaflets will be available. Individuals seeking social care information for the first time, service users and carers will all be able to access Your Life, Your Choice in places such as libraries and Citizen's Advice Hubs or directly via the Your Life, Your Choice website.

Children's Play Area Renovation

Graham Haynes has been making repairs to the village playground (Goose Green) over the past month and is at present pressure washing all the equipment in preparation before applying a long term preservation treatment. There are still a few outstanding items to repair and hopefully these will be attended over the next few weeks.
