Help beautify Horningsea!

We have two initiatives planned for **10:00, Sunday 18 November**. Both begin at the bus shelter beside the Village Green. Please come and join in. Wear stout shoes or boots.

Litter pick: Gloves, day-glow waistcoats and litter-picking pincers will be provided.

Sapling planting: Please bring your own spade. By kind gift of Fen Ditton Parish Council, we expect to have about 30 saplings of native tree and shrub species to be planted at a few points around the village, to help ensure it remains a beautiful place to live for decades into the future. Stakes, sleeves and ties will be provided.

Stained glass window at St Peter's Church

The stained glass window has been repaired and replaced in the Church Tower thanks to the fund raising efforts of the Friends of Horningsea Church. Please look at how "sparkling" it is next time you are in the Church.

Stories for Smiles

Read a story this half-term and change the world for children in our city. 1 & 2 November 9:30 – 18:30
Waterstones, Sidney Street, Cambridge

Join readers, writers, illustrators, and celebs for 1,080 action-packed minutes of fantasy, fun, surprise and delight in a non-stop, sponsored read-aloud marathon on behalf of local children's charity Blue Smile.

Book your slot on the read-aloud rota and find out more today on www.bluesmileproject.org

Blue Smile is tackling the growing mental health problem amongst disadvantaged children, providing therapeutic support and mentoring in Cambridge's schools. Research increasingly shows that this early specialist intervention makes a real difference to children beginning to display problems and helps them turn their lives around.

A big thank you to all at booksellers Waterstones and the staff of the Cambridge Building Society for their enthusiasm and support for Blue Smile and for the Stories for Smiles read-aloud marathon.
