

# St Peter's Church Horningsea

**From 5 – 13 June**

Take part in the national survey of wildlife found in our Churchyard

Come along any time, any day and complete the record of what you see (or hear) birds, bugs, mammals, flowers, funghi ...

Record sheets are in the church porch – with material to help identify what you see.

On **Sunday 13 June from 2pm** come and take part in an exploration of the Churchyard – revisit the plans to build a bug hotel

Organised by Friends of Horningsea Church
