

St Peter's Church Horningsea Harvest Festival

You are invited to a Retirement Party for Michael Gingell
& Harvest Lunch

At Horningsea Village Hall
On Sunday 10 October at 12.30

The Church will be celebrating the Harvest Festival at 10.30 and , if you can, you are invited to come and join the Service, bring fruit and vegetables to help decorate the church

After the Service we will sell the produce to raise funds for Farm Africa

At 12.30 we will go to the Village Hall for a Ploughman's Lunch and have an opportunity to join in Michael Gingell's retirement celebrations. Hugh Gingell began farming at The Manor in Horningsea in 1936, so Michael's retirement is the end of an era.

Please let us know if you can come to the lunch by emailing horningseaevents@protonmail.com or tell Liz Harrison.

For Covid reasons we suggest you bring a mask to wear inside the Hall – except of course when you are eating and drinking!
