Save Honey Hill - Members' Meeting

Margaret Starkie, Save Honey Hill Group

Everyone will know by now that Anglian Water has told us that the Application to relocate the sewage works to Honey Hill will go to the [Planning Inspectorate around the end of January](#). We have been working towards this point for nearly three years so we are really determined to make our objections heard. SHH will register to become an Interested Party to make a Relevant Representation (that's the way we can state our case) and we have started to put together our evidence.

SHH Members - Please come along to the Extraordinary General Meeting. You will receive an invite via email. There will be plenty of time for you to ask questions and for the Committee and Strategy Group to hear your thoughts. If you are not a member and would like to join, please contact Chris Lindley or email info@savehoneyhill.org.

At the meeting you will hear about the process of the Development Consent Order, which is how the Planning Inspector will decide on recommendations to Thérèse Coffey, the Secretary of State DEFRA. She makes the final decision. We will also update you on SHH financial status; thank you for the amazing support you have given. It has made it possible to get legal advice so far and to ask for more advice on our Representations once AW publishes the documents..

The Planning Inspector (PI) has 28 days to review the application and decide whether to accept it for examination. He or she will then publish the timetable. So we anticipate the process will start some time in March. More on that at the meeting.

If you have any questions contact us through info@savehoneyhill.org.

Horningsea Advent Windows 2022 - photos

Once again Horningsea residents did wonders with trimmings and lights and entertained us throughout December with their windows. Here's a selection of windows. There's a fuller slideshow on the village website

Thank you to everyone who took part in the Christmas services in the church...

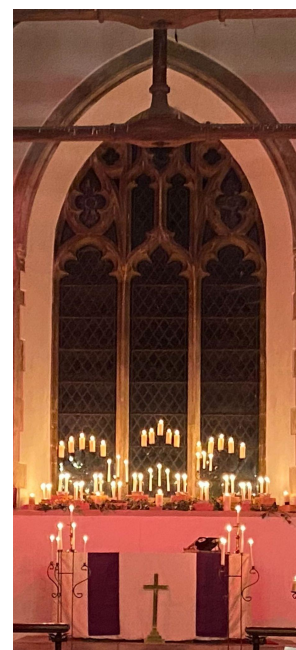

To the working party who put out the candles for the Carol service, to Scotsdales for the tree and Jessie for decorating it with baubles given by Marilyn; to the HYPO (Horningsea Young Person's orchestra and choir); to the readers, to Frank's singers; for the mince pies... the Carol Service was a real village event and as we left the church the first flakes of snow were falling creating a wonderful atmosphere.

Thank you, also, to the children who took part in the Very Short Nativity, to the singers and to the families who came to support the children.

Christmas Day service was another special occasion with families from the village taking part and visitors joining in.

All the Christmas services reminded us how lucky we are to live in such a lovely supportive village.

Horningsea Parish Charities

This winter, as the cold weather returns and the cost of heating and food continues to increase, the Parish Charities are here to help support anyone in Horningsea who is worried about looking after themselves. Food and household essentials will be available

in the Church porch. If you or anyone you know has a particular need please contact the Parish Charities on:

horningseaparishcharities@googlegroups.com

The Charities are very grateful for the donations given at the Christmas Tree lighting which enable us to continue to give grants where needed.

Public Calendar of Horningsea events

There's a public calendar to share Horningsea events. This is a busy little village and it can be hard to keep track of all the different events. Anybody can view the calendar with this link:

How to submit news to the Herald

The only guideline for news is for events and articles that are of direct relevance to the inhabitants of Horningsea. The Herald does not accept advertising, but one off "news items" may be used to publicise local businesses. To submit news items either email "horningseanews@gmail.com" or submit them via Twitter.

<https://twitter.com/horningseanews>.

All villagers are invited to send in recipes, stories past and present about Horningsea, photos of the village past and present, your hobbies! If it interests the editorial team then it gets published!

You must submit by the 2nd or 4th weekend of the month, the Herald being published before the first and third weekends of the month. Submission of any news items implies consent to any editing and the editorial team's decision is always final. **Always send as plain text via email.** Do NOT send formatted documents. Do NOT send articles as PDF or Word files. Stay under 700 words, preferably less. Attach any photos to the email. If you send in a PDF or image of a poster/flyer then attach a paragraph of text to go into the Herald as well.
