## **Horningsea Planning**

### ***How to object to Anglian Water's DCO application to relocate the sewage works***

The Planning Inspectorate is now accepting registrations from anybody to register and comment on Anglian Water’s application to relocate the sewage works to Green Belt. The time window when you are able to register is short and ends in less than two weeks!

## **Deadline is 23:59 on the 19th July**

This is the final deadline and you will have no further chance to comment. However, if you register now with a summary of your objections, then you will be able to add more details at a later date.

The Save Honey Hill team have put together suggestions on what you can object to, and what you cannot comment, together with tips on how to write and submit your comment on the Save Honey Hill website.

<https://www.savehoneyhill.org/have-your-say/tips-on-how-to-object/>

The Save Honey Hill group will be submitting relevant representations as a group and also as individuals. The SHH team said " For nearly three years this is what we have been working for. Let's not miss our final chance to influence this decision. After the 19th July there will be no further opportunity.

When you register you have to upload your comments immediately. You cannot save and add later, so you must submit/register at the same time. Save Honey Hill - Stop the sewage works relocation.

If you want to be kept updated on the campaign, then subscribe to our Friends of Save Honey Hill newsletter.

## Reports

Please send in photos or reports of any village events to [horningseanews@gmail.com](mailto:horningseanews@gmail.com)

### *Margery Kemp Concert on 24 June: Report*

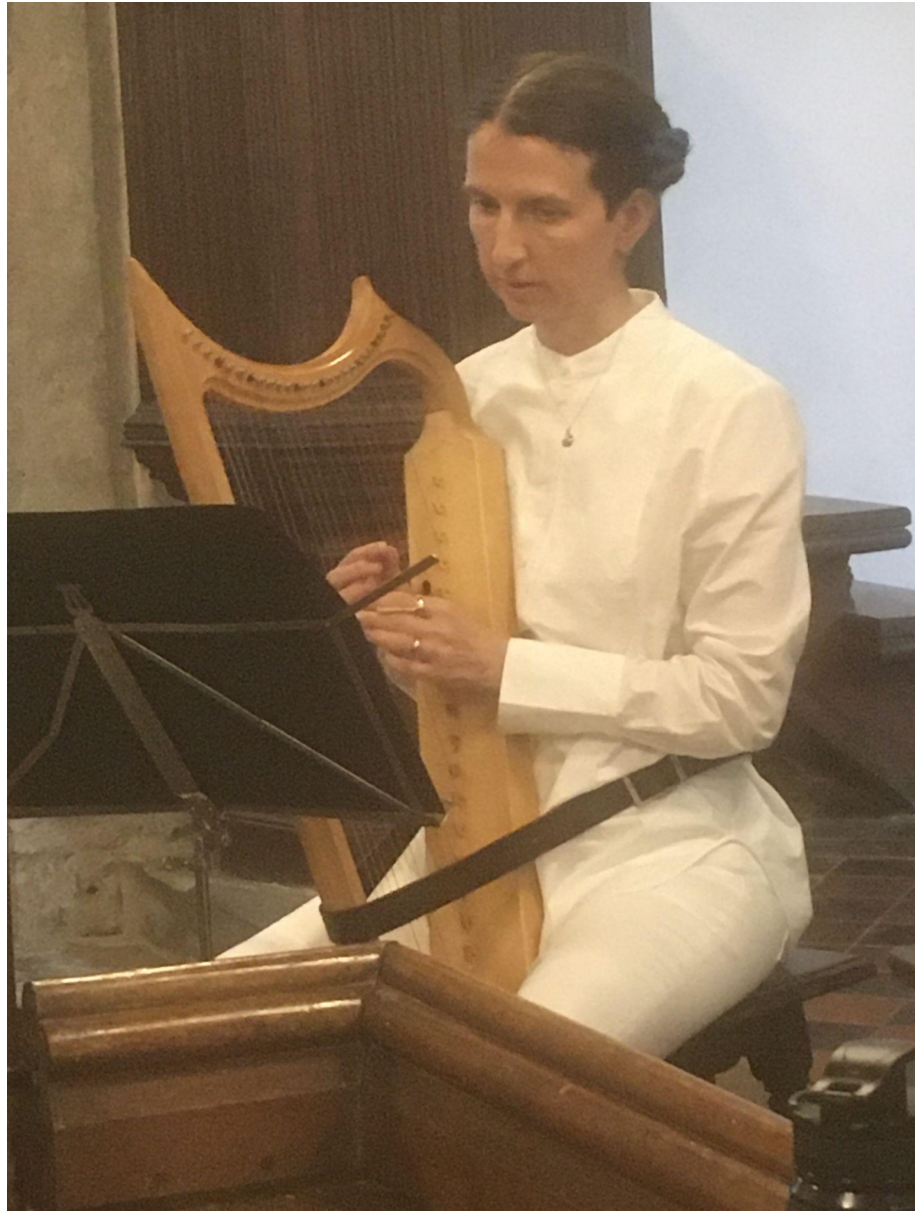

If you came along you will know what a unique evening we had, if you didn't make it this is a brief summary of what you missed! On the Friday evening and Saturday afternoon Leah taught 15 singers (of various skills) some medieval chants and songs using medieval manuscripts.

She managed to get the singers to sing in three parts, to sing a round in Latin and to learn the choruses for some songs she would sing during the concert.

In the concert she talked about Margery Kemp and her travels - including to Holland, Germany, Italy and Jerusalem ... all this was in 14th Century by a woman who had 14 children and could not read or write.

Leah sang and played music found in monasteries Margery would have visited on her travels. The concert finished with all of the audience being taught to sing a piece.

A remarkable evening by a remarkable performer about a remarkable woman!

## ***Pet service, St Peters Church, Sunday 11th June - report***

How many dogs can you find?

### **Notes**

#### ***New Life, the Parish Magazine***

New Life is the Parish Magazine produced by the churches in Horningsea, Fen Ditton and Teversham. It costs £5 a year to subscribe and ensures you are kept up to date with whatever is going on in the Three Parishes. If you don't already get a copy let one of the Church Wardens know and you can be added to the list!

## ***Public Calendar of Horningsea events***

There's a public calendar to share Horningsea events. This is a busy little village and it can be hard to keep track of all the different events. Anybody can view the calendar with this link:

You can also add it to your own calendar directly using the following link:

## ***How to submit news to the Herald***

The only guideline for news is for events and articles that are of direct relevance to the inhabitants of Horningsea. The Herald does not accept advertising, but one off "news items" may be used to publicise local businesses. To submit news items either email "horningseanews@gmail.com" or submit them via Twitter.  
<https://twitter.com/horningseanews>.

All villagers are invited to send in recipes, stories past and present about Horningsea, photos of the village past and present, your hobbies! If it interests the editorial team then it gets published!

You must submit by the 2nd or 4th weekend of the month, the Herald being published before the first and third weekends of the month. Submission of any news items implies consent to any editing and the editorial team's decision is always final. **Always send as plain text via email.** Do NOT send formatted documents. Do NOT send articles as PDF or Word files. Stay under 700 words, preferably less. Attach any photos to the email. If you send in a PDF or image of a poster/flyer then attach a paragraph of text to go into the Herald as well.
